

ARAV EXTERNSHIP FORM

LOCATION:

North Carolina State University –College of Veterinary Medicine
4700 Hillsborough Street
Raleigh, NC 27606

CONTACT INFO:

Name: Gregory A. Lewbart	Phone: 919-513-6757
Title: Professor of Aquatic Animal Medicine	Fax:
Email: greg_lewbart@ncsu.edu	Web:

DESCRIPTION

This 2-week block involves 1 week at the NCSU-CVM with 2 days of herptile and 3 days of non-domestic avian medicine and a second week with local practitioners who are adjunct faculty. Reptile cases and hands-on teaching represent about 20% of the total block, so this is not a rotation for someone who wants an exclusively reptile/amphibian experience.
--

APPLICATION DEADLINE

January (priority is given to NCSU students and final block decisions are usually made in early February of the third year).
--

HOUSING AVAILABILITY and TRANSPORTATION

Nothing formal; check the NCSU web sites.

INSURANCE

<i>Student does not need to insurance</i>
