Exotic Animal Medicine for the Clinical Practitioner
Presented by the American Association of Zoo Veterinarians

Continuing education credits endorsed by the American College of Zoological Medicine

The American Association of Zoo Veterinarians is presenting an in-depth, two-day course on exotic, zoo, and wild animal medicine Saturday, October 24 to Sunday, October 25, 2009 at the Renaissance Tulsa Hotel & Convention Center, Tulsa, OK. Lectures will be geared to the private exotic animal clinical practitioner and are expected to include topics such as exotic hoofstock (including swine), primate and carnivore anesthesia as well as cutting edge topics in avian, herpetological and invertebrate medicine. Registration includes lecture materials, break refreshments, Sunday evening reception (AAZV conference ice breaker), and certificate of attendance for display in your practice. Class offers 14 hours of CE credits sponsored by the American College of Zoological Medicine.

Registration fee: \$350 by 23 September, \$400 after 23 September

Rooms available at the Renaissance Tulsa Hotel & Convention Center, 6808 South 107th East Avenue, Tulsa, OK, 74133 (918)307-2600
